**Buffalo Roofing Company:** Roofing is what we do best. We are the #1 roofing professionals in the Buffalo Area for both residential and commercial roofing. We offer the absolute best quality at great prices.

We've been in the Buffalo Roofing Industry for a combination of over 35 years so you're secure knowing that no matter what your roofing needs are, we can help.

## **Buffalo Roofing 100% Satisfaction Guarantee!**

We strive to provide the best roofing service in the Buffalo area and pride ourselves in understanding the needs of Buffalo houses. We go far beyond what most, if not all, roofing companies consider to be their best service. In addition to providing outstanding customer service, We carry insurance in order for our customers to have “peace of mind” during their project. We are licensed in both residential as well as commercial roofing.

Only when the project is complete and the customer is 100% satisfied, do we submit an invoice for payment. We install roofing products from companies with the highest quality standards. That means that we can provide better, and extended warranties backed not only by *Buffalo Roofing Company*, but from major roofing manufacturers as well.
